USER INFORMATION FOR PEN-RAY LAMPS

IMPORTANT NOTICE: When using a Pen-Ray® light source, the following instructions are recommended to insure proper lamp operation.

1. Use the recommended power voltage and current.
2. Consult UVP for feasibility of any unusual applications.
3. Good air circulation around the lamp is recommended.
4. Do not inhibit air circulation around handle.
5. Consult UVP regarding any extended lead cord lengths.
6. **CAUTION:** Pen-Ray Lamps produce UV radiation which is harmful to unprotected eyes and skin. Protective glasses and clothing are recommended.
7. Quartz material is fragile - HANDLE WITH CARE
8. If this product contains Mercury (see box label), handle with care and dispose of properly. MSDS available upon request.

WARARRANTY: Pen-Ray Lamps are warranted for 90 days from date of purchase. Contact UVP for information on Pen-Ray power supplies, UV intensity meters and UV blocking eyewear.
