

## Capability Statement

### Core Competencies

American Eagle Lighting Enterprises, LLC is a full scale LED lighting company focused on lowering energy consumption while improving lighting conditions in any type of facility.

- Exclusive Distributor of the Life Long LED™
- Full Line of Energy Star LED lamps and DLC fixtures for almost every application
- Specialize in both retrofit and new construction projects
- Reduce energy consumption by as much as 80% or more

What sets American Eagle Lighting apart from our competitors is our revolutionary warranty solution, The Life Long LED™. The only lighting product on the market that offers a Limited Lifetime Performance Guarantee and Service Plan. This means that any Life Long LED™ product purchased from American Eagle Lighting is not only warranted for 50 years, but will be replaced at no cost if they begin to fail.

Advantages of the AEL Life Long LED™ warranty include:

- No fine print regarding usage
- Product replacement under LM-70 standards
- Administered by McCusker & Company
- Underwritten by Lloyd's of London a 327 year old specialist insurance market place
- Serviced by Service USA Inc.
- Service includes: all labor, equipment and materials needed to replace affected product
