Swamp Funk & Bayou Blues

Quotes

"...on the first release from Fort Collins' Johnny & The Mongrels, You Ain't Ready, they somehow breathe fresh life into dirty, swampy blues rock. And they're from Fort Collins!"
- JEREMY FLEISCHER - Scene Magazine

"With the vocal soul of Otis Redding & The instrumental chops of The Meters, Johnny & The Mongrels will sonically transform you to another place where the oysters are fresh and the cornbread is hot!"
- CHRIS WILLIAMS - Shattered Sky Music Group/Chimaera Sound Studios

"With thoughtful songwriting & a seemingly innate sense of blues rhythm & vibe, JATM deliver a lively show that gets people dancing. Fun, upbeat and full of energy, this is one Colorado band bridging the gap between NOLA and The Rockies in fine style."
