

Walking On Streets of Gold

Mark and Mary are future residents of a Colonial Style Mansion located at 107 Glory Street in New Jerusalem! Mark, a businessman from Midland, was traveling to Cadillac when his XM radio stopped working. He quickly turned to the FM band and found Strong Tower Radio 90.7FM in Harrison.

Mark was awestruck by what he was hearing, as day after day he was introduced to new truths such as the state of the dead, hellfire, the second coming and the Sabbath. He soon visited the Midland SDA Church, began taking studies, fell in love with his new church family and developed a tremendous relationship with a crucified, risen and soon coming Saviour. Mark was soon baptized and a few months later his wife Mary followed him, washing away her sins in the cleansing waters of baptism.

Mike and Kathleen look forward to the second coming of Jesus and are future residents of a Tudor Style Mansion located at 113 Glory Street in New Jerusalem! Mike, a greens keeper at a local golf course in Cadillac, began listening to 91.9FM in Cadillac through a tip from a fellow worker named Pat. Mike fell in love with "Ranger Bill," along with a bevy of other programs he heard. Knowing that Mike was enjoying what he was listening to on Strong Tower Radio, Pat invited Mike to attend the 13th Street SDA Church. After broaching the subject with his wife Kathleen, that week they attended Church Services for the first time. They continue to attend Sabbath School and Church Services on a weekly basis and also participate in a weekly Bible study group.

Bernice is a future resident of a Victorian Style Mansion on 122 Glory Street in New Jerusalem! She was having trouble getting answers to questions she had about the Bible. No one could help her, so she shared her dilemma with God. Soon after, Bernice was looking in her purse and she found a "Strong Tower Radio Promo Card." As she looked at the card, Bernice was impressed to tune into 104.7FM in Lansing. To her amazement, long sought after answers to her questions about the Bible were being discussed on a program called "Bible Answers Live!" Praise God! As she continued to listen, she fell in love with Strong Tower Radio. Commenting on the music, Bernice said, "It's the most beautiful I've ever heard!"

Future Residents of New Jerusalem...

All of us have come to know God through many different avenues and I just want to take a moment and shed some light on how God has used Strong Tower Radio and Strong Tower TV-23 to change my life.

When you first fall in love with Jesus, there are some parts of your life that you continue to cling to, even though they aren't necessary good for you. When I first came to Jesus, my life consisted of sex, drugs and rock n' roll. Alcohol, tobacco, marijuana, pornography, video games and rock

music filled my days. Yet, I longed for something different. I believed in God, I just didn't know who he was and what his plan for my life was. I began to covet studying my Bible, and discussing things I'd learned with anyone who would listen. I also started to attend church occasionally.

As I came to know the Lord, I began to realize that rock music was the biggest negative in my life.

That Trumpet Sound

Bernie Boyk with George & Joy Corliss

Bernie Boyk was carefully scanning through channels on the radio until his wife Patty heard a hymn being played. Her eyes lit up as she said, "That's the one! That's the station!" Their hearts melted as they continued to listen to the wonderful, uplifting, easy listening Christian music being played on Strong Tower Radio 93.9FM.

Soon after, Bernie and Patty received a brochure in the mail and were about to attend a series on Bible prophecy at the Alpena SDA Church, when tragedy struck, as Patty had a massive heart attack and fell asleep in Jesus. Bernie was devastated, but began praying for the Holy Spirit to make a complete change in his life.

He continued listening to Strong Tower Radio, and shortly thereafter, began attending the Alpena SDA Church. His new church family led him into a deeper experience with a crucified, risen and soon coming Saviour, and Bernie was baptized on June 17, 2017. He is now giving personal Bible studies to his two daughters. Bernie is looking forward to that great reunion day when that trumpet will sound, and the dead in Christ will rise from their graves, and he will be reunited with his beautiful wife Patty to ever be with the Lord.

We are so happy to reserve a beautiful Colonial Mansion located at 102 Glory Street in New Jerusalem for Bernie and Patty! Thank you for your investment in Strong Tower Radio, which allows us to share God's word with almost five million people, bringing returns that are out of this world!

Invest in Heavenly Things

Debi Hendrick

I had been questioning things of faith for quite some time, yet I really didn't know how to study the Bible. I began to pray and cry out to God to answer my request. It was shortly after this, that I came across Strong Tower Radio on my radio dial. How excited I was to listen to so many spirit filled sermons, heart warming music and I thoroughly enjoyed everything else they broadcast!

It wasn't long before I began attending Sabbath School, Worship Service, Wednesday Bible Study, Vespers and now the new Women's Ministry Prayer Group at the Decatur SDA Church here in Illinois. Praise God! I was baptized recently, and love being part of my church family!

Join Our Family...

I remember the first time I heard about Strong Tower Radio. They were sharing stories of how God provided Christian programming 24/7 over the radio waves in Michigan. Then, it was my turn! By faith, Strong Tower Radio had become a reality in my neighborhood on 93.9FM in Mio!

So, which story should I tell? How my friend listened to Strong Tower Radio, left her addictions behind, and became a soldier in the army of Christ?

Bela, Joanna & Diane Kobor

What about another friend who listened to Strong Tower Radio and in six months threw away her pack of cigarettes? Now she packs a powerful testimony for the Lord Jesus! I could go on and tell of pastors who are discovering powerful truths in the book of Revelation and sharing them with their congregations, but God wants to multiply these stories in every neighborhood of Michigan and beyond. Instead of investing in the things of this world, why not begin investing in a little bit of Heaven? Join our family by calling Strong Tower Radio at 231-468-2087.

Continued from page 1... It seemed many of the bad habits I had, revolved around rock music, and through my studies I found that rock music can actually affect your brain chemistry. With this conviction, I prayerfully stepped out in faith and submitted to the Lord and destroyed all of my rock music CDs! But, what was I going to replace them with?

Praise God! It was just a matter of days before I discovered Strong Tower Radio! It was the perfect replacement! A HUGE upgrade from what I was listening to before. Encouraging, uplifting music, hard-hitting sermons, Bible studies and many other programs to help me grow closer to God.

I kept listening, studying and praying, and as my faith continued to grow, habits I had struggled with for many years began to disappear one by one through the blood of Jesus. Yet God wasn't done yet!

My wife Sarah and I spent at least \$20 each week renting movies. God soon convicted us that this was not a good choice. We had already experienced God turning my desires completely around when it came to rock music, so why couldn't he do the same with movies? After prayer, the first thing we did was to throw our entire movie collection into the trash. But now what? We needed to watch something! Then Sarah began to do a channel scan to see what was available, when all of a sudden, Doug Batchelor came on the screen! We had found Strong Tower TV-23!

It's incredible that each time we stepped out in faith, God used the ministry of Strong Tower Radio and TV-23 to help meet our spiritual needs.

My wife Sarah and I began attending the Reed City SDA Church late in 2016 and I was baptized in March of 2017. My wife Sarah soon followed, and was baptized on October 21st! We praise God for Strong Tower Radio and Strong Tower TV-23 and thank every one of the donors, volunteers and employees for making all of this possible!
