Joy and George Corliss

Remembering George

June 29, 1957 – July 8, 2018

We are saddened that George Corliss passed away on July 8, 2018 at Cadillac Munson Hospital. George’s voice was the one so many recognized when they tuned into Strong Tower Radio, but after suffering from lingering illnesses, he took his last breath.

Before George became a Christian, he had some very difficult years, but God totally transformed his life. His wife Deb, with whom he had 5 children and several grandchildren, preceded him in death in July 2016. In May 2017, he remarried and leaves behind his second wife, Joy Maul Corliss.

People recognized George as a visionary, fundraiser, drug prevention educator, writer, lay pastor and speaker, healthy living advocate, radio broadcaster, and a man who wanted to know and serve his God. His favorite verse was John 17:3.

The story and testimony of George Corliss is of a man who found forgiveness and mercy from a God that will “never leave you nor forsake you even for a moment”. God changed George from the inside out! He gave him a “new heart” and made him a “new creation”.

Possibly the greatest legacy and testimony of George’s life will be all the people he witnessed to and brought to know Jesus Christ as their personal Lord and Savior! We’re sure he will hear the words “Well done, good and faithful servant!”.

From the President...

Dear Strong Tower Radio Family,

“The Lord will Provide” has been our watchword over the past few weeks since we learned of George’s passing on July 8, 2018. Even before that, we could see the Lord providing as we all took on new responsibilities to help George, so that he could heal without the worry of keeping up with his demanding workload.

David Bolduc

About to retire from Ferris State University’s Information Technology Department, John Duman, expressed a desire to help us with our needs. He is the brother of Strong Tower Radio’s Quartet’s Russ and Tim.

At the same time, Dave ‘Kaz’ Kazmierczak, expressed an interest to help with our many maintenance needs. In the Lord’s providence, Dave, in his former position at Country Life Foods maintained their emergency electric generator. During his first week Dave checked our generator and found the battery charging system had gone bad and made necessary repairs.

George often spoke at churches on behalf of Strong Tower Radio. As the Lord would arrange things, He put George at the Grand Ledge Adventist church the same week Pastor Jay Gallimore felt impressed to attend. George suggested that Pastor Gallimore consider joining Strong Tower Radio. During the July Strong Tower Radio board meeting, the board unanimously voted to ask Pastor Gallimore to join our team and he accepted the volunteer position of “Associate Speaker”. All the staff are looking forward to getting his input and working with him.

As you can see, the Lord has truly provided more than we anticipated. Tom Mejeur, our Marketing Director, summed it up best, “When one in the Lord’s army falls, He brings up three more warriors.” Strong Tower Radio began in the heart of God, this is His ministry. Our single goal is to stay in the center of His will so that we can proclaim His Loving Character. May the Lord richly bless you and your family.

Memorial Service

George Corliss' memorial service was held on Sabbath, July 14.

Hundreds of people attended, and wonderful testimonies were heard about how strong George's love was for his Jesus and about the many souls that were saved through his efforts.

Many people also had the opportunity to watch the memorial on-line, and again, many hearts were touched.

In true George Corliss fashion, Pastor Benson, at the end of the service, gave an appeal to accept Christ, after which four people went forward to give their lives to Christ. George will have many stars in his crown for the hundreds of people that he led to Christ.

This memorial service can be viewed on Strong Tower Radio's Facebook page. Photos will soon be posted in a Facebook album.

George's Last Baptism

It started several years ago. George Corliss and a few others had a group Bible study at the Hope's farmhouse. A few weeks ago, the fruits of that Bible study were still being shown, as Allen Hope, among a few others, were baptized in the Hersey River.

George had been looking forward to this day for years, and he wouldn't be stopped. Joy, his wife, drove him down to the creek bank, and George watched his dear friend publicly give his life to the Lord. Only a few weeks later, George's days on this earth ended, but the legacy continues, in precious souls for the kingdom.

Two Year Listener Attends

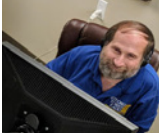

Two weeks ago, at the Big Rapids church, a man walked into the church sanctuary for the first time. In fact, it was the first time he had set foot in any church for many years.

Bob was overjoyed to finally find a home, and after the service Pastor Garhett Morgan welcomed him. Bob has been listening to Strong Tower Radio for the past two years and informed the Pastor that he has been keeping the Sabbath for quite some time, and that he was glad to be home. Please pray for Bob, and the many others that are listening to Strong Tower Radio. You never know who may walk into your church doors.
