To Whom It May Concern:

Whereas the Town of Evans Water Department has been dealing with S. Stock Services for the past 25 years, we would highly recommend them as a very professional and reliable company.

S. Stock Services has done numerous jobs for our Department, mainly waterline construction and repair, we have found that John Stock has followed in the family tradition of quality and pride in their work.

We have always had a good working relationship with S. Stock Services and look forward to working with them again in the near future.

Respectfully

Thomas C. Kait
