

—> TRACK 03 “STEPS” (2017)

INTRO:

- I wanna, thank God for my talent and tenacity/
- He got me working, working on a masterpiece/
- Long nights, no sleep, I do this naturally/
- Man that sh*t ain't adding up if it ain't adding me/

VS 1:

- Yea...
- They love it when you lie, even more when you tell the truth/
((You can't fake being this real, for this long/))
- I'm highly hated, cuz that all they know how to do/
- Even Jesus had haters, I just focus on the loot/

- I ain't wanna tell you, but I had to get this off my chest/
((I can't stand people)), they always causing me to stress/
- Doctor diagnosed me with depression and anxiety/
- Pills for Insomnia, and classes for sobriety/

- This may sound weird, and slightly off topic/
- But my brain be talking to me at the same time that I'm talking/
- I swear, I be talking like the guy that run the auction/
- Better yet, like the MF auctioneer who taught him/

- Crack my eyes open, thank God for my health/
- Grab water out the kitchen, take a piss and roll an L/
- Sh*t, I conjure up some breakfast, then I jump in that water/
- *((Jump out, get fly, and get to it in that order/))*

CHORUS 1:

- Step 1 - first make a plan, and then attack/
- Two!- accept the simple fact there ain't no going back/
- Step 3 - Make sure you're charged up on ya power pack/
- So you can keep going, and going, like the bunny rabbit/

- Step 1 - first make a plan, and then attack/
- Two!- accept the simple fact there ain't no going back/
- Step 3 - Make sure you're charged up on ya power pack/

- So you can keep going, and going, like the bunny rabbit/

VS 2:

- I say, it's funny how they all tryna' do it how I did it/
- But they can't cuz, I'm just tryna' get it how I live it/
- I came up from the bottom, the bed with the critters/
- Paper plates for my dishes, do you get the bigger picture/

- I had two older brothers, Im the youngest out my siblings/
- Growing up I was the dealer, so you know I had to deal it/
- I remember growing up and getting caught stealing skittles/
- If the owner told my momma, then I know she gone kill me/

- Everything cool MF just the way it/
- A week for Ice Cube but for me it was a day ago/
- They tell me play my jam, I tell em' activate they radio/
- Slide through the video and come and get a cameo/

- I throw a pool party mid-day around noon/
- Plus it's happy hour, bunch of drunk bitches in the pool/
- Told her, you should slide through if you free around 2/
- Gone' and pack ya stuff up girl, cuz that'll be the move/

CHORUS 2:

- Step 1 - first make a plan, and then attack/
- Two!- accept the simple fact there ain't no going back/
- Step 3 - Make sure you're charged up on ya power pack/
- So you can keep going, and going, like the bunny rabbit/

- Step 1 - first make a plan, and then attack/
- Two!- accept the simple fact there ain't no going back/

- Step 3 - Make sure you're charged up on ya power pack/
- So you can keep going, and going, like the bunny rabbit/

8-BAR BRIDGE:

- ((Im running to the money like an athlete/
- Like an athlete running in a track meet/
- Good sex, Good tree's that relax me,
- Pocket full of money got it looking like a staff meeting/
- Check 1, Check 2, yea I'm on one/
- When they callllll, you know they want something/
- But man, ya'll ni**as really don't want none, no/
- Ya'll ni**as better get that sh*t together/))

VS 3:

- When I'm done I retire as a legend/
- Nigga I been'at it since 11 always knowing where I'm headed/
- I'm tired, my patience getting thinner than parrellies/
- When they ask me how I do it nigga this is what I tell em/

CHORUS 3:

- Step 1 - first make a plan, and then attack/
- Two!- accept the simple fact there ain't no going back/
- Step 3 - Make sure you're charged up on ya power pack/
- So you can keep going, and going, like the bunny rabbit/
- Step 1 - first make a plan, and then attack/
- Two!- accept the simple fact there ain't no going back/
- Step 3 - Make sure you're charged up on ya power pack/
- So you can keep going, and going, like the bunny rabbit/

OUTRO:

- Step 1 - first make a plan, and then attack/
 - Two!- accept the simple fact there ain't no going back/
 - Step 3 - Make sure you're charged up on ya power pack/
 - So you can keep going, and going, like the bunny rabbit/
-
- Step 1 - first make a plan, and then attack/
 - Two!- accept the simple fact there ain't no going back/
 - Step 3 - Make sure you're charged up on ya power pack/
 - So you can keep going, and going, like the bunny rabbit/
