

Caming Options

Caming is the metal banding that joins panels of glass together in a unique design. Simply said, it is "the lead in leaded glass". Make sure to choose a caming finish that coordinates your door hardware, outdoor fixtures and interior furnishings to fit your personal style. It may seem like a small detail but it can have a big impact on the overall look of your entryway. Your entryway is a guest's first impression - make sure it reflects you!
