

Hardie Trim

HardieTrim®

Form meets function at every angle with HardieTrim® boards. With an authentic look, HardieTrim boards provide design flexibility for columns, friezes, doors, windows and other accent areas.

Better than wood, it will complement your long-lasting, lower maintenance James Hardie siding – adding punctuation to your design statement.

Instant curb appeal and lasting character

James Hardie® siding, trim and mouldings keep homes looking beautiful longer, with less upkeep.

- Engineered for Climate® to help protect homes against what nature brings – from fluctuating temperatures and humidity to hungry pests
- Superior dimensional stability resists expansion, contraction and moisture intrusion that can cause paint to prematurely crack and peel
- Advanced formulations allow for less thermal movement and greater color selection as compared to PVC products
- Available with ColorPlus® Technology finishes for superior color consistency and fade resistance
